

Objectives:

Next February, I will leave for a breaking year in South Korea. My goal, there, is to find a job to support to my needs. I will need to speak Korean and know about few basis of Asian culture.

Organization:

- Learning signs and sounds of each symbols
- Learning easy sentences
- Be able to have some basic discussion with my girlfriend
- Know about Korean culture to know how to act everyday in every situation

Expected results:

- Be able to search and find a job, a flat, a football club,... before to go or at the beginning of my time in Korea
- Be able to have some basic discussion to integrate easier the Korean life
- Have the good behaviour in each common situation

Evaluation:

- Daily by speaking with my girlfriend
- Writing motivation letter and have some positives results
